REMARKS

25X1

On 12 February 1954, the Adolf Hitler Kaserne (5041), Bernburg, was occupied by an estimated 1,500 troops. Between 10 a.m. and 12:30 p.m., about 120 troops drilled at platoon level, while about 90 troops practiced at squad level. The throwing of training grenades at targets from trench positions. At 1:30 p.m., 100 troops practiced at the obstacle course in the close-combat training area. The motor pool near the cemetery was occupied as previously. A few soldiers were maintaining vehicles.
